

Flowering plants including ferns and some naturalised plants:

| Common name                     | Scientific name            | Zone(s)       | Comments |
|---------------------------------|----------------------------|---------------|----------|
| Aaron's beard (N)               | Hypericum calycinum        | 3,7           |          |
| Autumnal hawkbit                | Scorzoneroides autumnalis  | 4             |          |
| Barren Brome                    | Bromus sterilis            | 6             |          |
| Bird's foot trefoil             | Lotus corniculatus         | 1,2,3,4,5     |          |
| Black medic                     | Medicago lupulina          | 1,2,3,4,5     |          |
| Bluebell                        | Hyacinthoides non-scripta  | 6             |          |
| Bramble                         | Rubus fruticosus           | 2,3,5,6,7     |          |
| Bristly Oxtongue                | Helminthotheca echioides   | 1,2,3,4       |          |
| Broad leaved willowherb         | Epilobium montanum         | 1,2,3,4,5,6,7 |          |
| Bush vetch                      | Vicia sepium               | 3,4,5         |          |
| Butterbur                       | Petasites hybridus         | 6,7           |          |
| Chickweed                       | Stellaria media            | 6             |          |
| Cleaver                         | Galium aparine             | 2,3,6,7       |          |
| Columbine                       | Aquilegia vulgaris         | 2,4,5,6,7     |          |
| Common Cat's ear                | Hypochaeris radicata       | 4             |          |
| Common forget-me-not            | Myosotis arvensis          | 1,2,3,4,5,6,7 |          |
| Common Hawkweed                 | Hieracium vulgatum         | 6             |          |
| Common mallow                   | Malva sylvestris           | 5             |          |
| Common poppy                    | Papaver rhoeas             | 3             |          |
| Common ragwort                  | Senecio jacobaea           | 3,6           |          |
| Common Sorrel                   | Rumex acetosa              | 1,2,5,6       |          |
| Common sowthistle               | Sonchus oleraceus          | 1,2,3,4,6,7   |          |
| Common St John's wort           | Hypericum perforatum       | 5             |          |
| Cow parsley                     | Anthriscus sylvestris      | 3,5,6         |          |
| Creeping buttercup              | Ranunculus repens          | 1,3,4,5,6,7   |          |
| Creeping cinquefoil             | Potentilla reptans         | 1,2,3,4,5,6   |          |
| Creeping Jenny                  | Lysimachia nummularia      | 6             |          |
| Creeping Woodsorrel             | Oxalis corniculata         | 5             |          |
| Cut leaved cranesbill           | Geranium dissectum         | 1,2,3,4,6,7   |          |
| Daisy                           | Bellis perennis            | 1,2,3,4,5,6,7 |          |
| Dandelion                       | Taraxacum officinale       | 1,2,3,4,5,6,7 |          |
| Dog Rose                        | Rosa canina                | 6             |          |
| Dog violet                      | Viola riviniana            | 2,4,5,7       |          |
| Dwarf mallow                    | Malva neglecta             | 5             |          |
| Enchanter's nightshade          | Circaea lutetiana          | 1,2,3,5,6     |          |
| English lavender (N)            | Lavandula angustifolia     | 3             |          |
| English stonecrop               | Sedum anglicum             | 4             |          |
| Feverfew                        | Tanacetum parthenium       | 2,3,4,5,7     |          |
| Foxglove                        | Digitalis purpurea         | 2,3           |          |
| Garlic mustard                  | Alliaria petiolata         | 6             |          |
| Germander Speedwell             | Veronica chamaedrys        | 2,3,4,5,6,7   |          |
| Giant Bellflower                | Campanula latifolia        | 6,7           |          |
| Goldmoss stonecrop              | Sedum acre                 | 3,4,5         |          |
| Greater plantain                | Plantago major             | 2,3,4,5,6,7   |          |
| Greater Willowherb              | Epilobium hirsutum         | 6             |          |
| Green alkanet                   | Pentaglossis sempervirens  | 3             |          |
| Ground Elder                    | Aegopodium podagraria      | 7             |          |
| Groundsel                       | Senecio vulgaris           | 2,3,4         |          |
| Hart's tongue fern              | Asplenium scolopendrium    | 1,2,3,5       |          |
| Hawkweed oxtongue               | Picris hieracioides        | 6             |          |
| Hedge bedstraw                  | Galium mollugo             | 5             |          |
| Hedge woundwort                 | Stachys sylvatica          | 2,6           |          |
| Herb Robert                     | Geranium robertianum       | 1,2,3,4,5,6,7 |          |
| Hogweed                         | Heraclium sphondylium      | 6             |          |
| Hollyhock (N)                   | Alcea rosea                | 1,3           |          |
| Honesty (N)                     | Lunaria annua              | 2,7           |          |
| Hop                             | Humulus lupulus            | 2,3,7         |          |
| Iris (N)                        | Iris (sp unknown)          | 2,4,5,6       |          |
| Ivy                             | Hedera helix               | 2,4,5,6,7     |          |
| Lady fern                       | Athyrium filix-femina      | 2,3,5         |          |
| Lady's bedstraw                 | Galium verum               | 1,2,3,4,6,7   |          |
| Lady's mantle                   | Alchemilla vulgaris        | 2,3,5,7       |          |
| Large flowered Evening primrose | Oenothera glazioviana      | 1,2,3,4       |          |
| Larger bindweed                 | Calystegia sepium          | 3,7           |          |
| Ling (N)                        | Calluna vulgaris           | 1             |          |
| Lords and Ladies                | Arum maculatum             | 6             |          |
| Love-in-a-mist (N)              | Nigella damascena          | 4             |          |
| Meadow vetchling                | Lathyrus pratensis         | 3             |          |
| Nipplewort                      | Lapsana communis           | 2,3,4,5,7     |          |
| Opium poppy                     | Papaver somniferum         | 3,5,6,7       |          |
| Orange hawkweed                 | Pilosella aurantiaca       | 3             |          |
| Oxeye daisy                     | Chrysanthemum leucanthemum | 1,2,3,4,5,6,7 |          |
| Pendulous sedge                 | Carex pendula              | 2,6           |          |
| Peony (N)                       | Paeonia (sp unknown)       | 6             |          |
| Periwinkle                      | Vinca minor                | 7             |          |
| Pineappleweed                   | Matricaria discoidea       | 3             |          |
| Prickly sowthistle              | Sonchus asper              | 6             |          |
| Primrose                        | Primula vulgaris           | 1,2,3,4,5,7   |          |
| Pyramidal orchid                | Anacamptis pyramidalis     | 6             |          |
| Red Clover                      | Trifolium pratense         | 2,3,4,6       |          |
| Red Valerian                    | Ketranthus ruber           | 3,4,5,6       |          |
| Ribwort plantain                | Plantago lanceolata        | 2,3,4,6       |          |
| Sanicle                         | Sanicula europaea          | 6             |          |
| Scarlet pimpernel               | Anagallis arvensis         | 1,2,3,6       |          |
| Sedum (N)                       | Sedum                      | 1,4           |          |
| Self-heal                       | Prunella vulgaris          | 1,2,3,4,5,6,7 |          |
| Sheep's sorrel                  | Rumex acetosella           | 7             |          |
| Slender thistle                 | Carduus tenuiflorus        | 2             |          |
| Smooth hawksbeard               | Crepis capillaris          | 4             |          |
| Spear leaved willowherb         | Epilobium lanceolatum      | 2             |          |
| Spear Thistle                   | Cirsium vulgare            | 1,2,6         |          |
| Stinging Nettle                 | Urtica dioica              | 1,3,5,7       |          |
| Sun Spurge                      | Euphorbia helioscopia      | 1,2,3,5,7     |          |
| Sweet woodruff                  | Asperula odorata           | 4,6           |          |
| Teasel                          | Dipsacus fullonum          | 3             |          |
| Tufted Vetch                    | Vicia cracca               | 3,5,6         |          |
| Wall lettuce                    | Lactuca muralis            | 3             |          |
| Wall Speedwell                  | Veronica arvensis          | 5             |          |
| White clover                    | Trifolium repens           | 1,2,3,4,5,6,7 |          |
| Wild carrot                     | Daucus carota              | 6             |          |
| Wild strawberry                 | Fragaria vesca             | 6             |          |

Trees including saplings:

| Common name  | Scientific name             | Zone        | Comments |
|--------------|-----------------------------|-------------|----------|
| Ash          | Fraxinus excelsior          | 1,2,3,4,5   |          |
| Cherry       | Prunus avium                | 2,4,6       |          |
