

praying for students

DURING EXAMS

As exam season begins, we'd love to invite our local churches to support students in prayer. You might choose a specific day to pray, or commit to praying regularly throughout the exam period. Every prayer is appreciated! This guide is designed to help focus those prayers by providing a daily timetable of the exams taking place.

We would welcome any prayers or words of encouragement you feel prompted to share with students through the chaplaincy team. Please email: chaplains@asachelt.org
