TWIN YOUR GARDEN TODAY

and plant hope for a family in rural Africa

It starts with twinning your garden...

Families in rural Africa are struggling to grow enough to eat as the climate crisis worsens and they experience longer periods of drought and unpredictable heavy rainfall.

But it doesn't take much to help a family change their future.

By twinning a garden, you could help a family living in rural Africa, with three years' training in sustainable organic farming. Starting with small kitchen gardens, families can grow enough to eat, set up small businesses and go after their dreams.

"Since joining the project, we have begun to diversify our farm and we are growing many other vegetables such as Swiss chard, onion, potato and carrots."

"Now we can eat by choice. We couldn't choose what we wanted before. Now we eat three times a day. We even eat things like raw carrots as a snack if we're short of time!" Meselech, Ethiopia

...and creates a ripple effect across gardens in rural Africa.

For every family reached directly with a Garden Twinning donation, three more will benefit with the skills and knowledge shared. You will be helping to create a ripple of positive change across rural Africa.

RIPPLE EFFECT

It starts on an African farm

Join our community of growers

"Gardening sustainably for myself and others gives me immense pleasure, only heightened by passing on that joy to others."

Claire, Garden Twinner, Hampshire

"We decided to twin our garden as we thought it was a great way to help someone on the other side of the world to feed themselves and provide for their families."

Scott, Garden Twinner, Somerset

It costs just £60 to twin your garden at home, or you can twin your community garden for £120 and you will receive:

- Sustainable wooden plaque to display in your garden or green space
- Vegetable growing guide by our No Dig expert Charles Dowding
- Wildflower seeds
- Guides on creating your own keyhole and bag gardens
- Twinned community gardens will also receive a certificate and an opportunity for a speaker to attend one of your meetings
